

DNPCCNS Kindergarten Extension Program a.m.

Dear Parents,

In an effort to meet the demands of our parents as well as to move forward with educational development, we are pleased to announce the implementation of a Kindergarten Extension Program for the 2011/2012 school year. This program would take place on Tuesday, Thursday and Friday mornings from 9:00 - 12:00pm (if needed, lunch time is available during class time). Children that are enrolled in an afternoon Kindergarten for the 11/12 school year would be eligible.

Transportation is the responsibility of the parent. The program will use the nationally acclaimed Handwriting Without Tears Program as well as a standardized kindergarten curriculum, which encompasses reading, math, social studies and science. This is a non-cooperative program led by a licensed teacher and assistant, with a maximum of 16 children in the class. The annual tuition is \$3,100.00. We are opening this class to children currently enrolled in our 4 year old program, but will also accept enrollment from the general public. Please spread the word and invite your child's friend to attend. Anyone who is interested in learning more information about the the Kindergarten Extension Program should call the office at (609) 799-9490.

Please complete the registration form below and return it with the **\$150 non-refundable** application fee, payable to DNPCCNS, to the school office. Enrollment forms and tuition breakdown will follow.
